

BABEL

Design: Fabien Dumas

Babel 350

Inspiration for the luminaire Babel, designed by Fabien Dumas for Vertigo bird came from the biblical story about the Tower of Babel. You can turn every single shade and when you do, the shape and angle of the light changes. Furthermore, you can change the angle of light from the side or from the zero position. It turns very smoothly just by one touch, without an engine inside. The complete range of pendant lamp in three sizes diameter 35/50/70 cm are all available in black washable textile. Light source compact fluorescent bulbs E27/15W.

Year of design: 2014

-

Material: textile, acrylic

Colours: black

-

Specifications

Light source Code	2xE27, 18W - not included V02024 5101
Typology	suspension lamp
Light emission Class	direct/adjustable ⊕
Installation	▽
IP rating	IP20
Certificate	CE
